FOR SUCH A TIME AS THIS

Women's Care Medical Center

SATURDAY, APRIL 6TH

7:30 - 10:00 am

Women's Care Medical Center operates three pregnancy centers and offers a variety of life-affirming services to men, women and children in Baldwin County.

1. PREVENTION

We provide an evidence-based, medically accurate program to students in Baldwin County that educates, empowers, and equips teens to choose a healthy lifestyle free of sexual risk.

2. INTERVENTION

We support women in unplanned pregnancies by providing no cost pregnancy testing, ultrasounds, and STD testing, as well as information on their pregnancy options.

3. TRANSFORMATION

We offer a parenting education program for men and women, as well as material resources to help assist them. We also offer hope and healing through our abortion recovery program.

YOUR PARTICIPATION WILL SAVE LIVES!

JOIN

Grab a walk form, set a goal, and fill it with sponsors.

CAMPAIGN

Ask your friends, family and co-workers to sponsor you.

WALK

Join us on April 6th and walk two miles.
